

## Art

### Key Stage 4 (AQA GCSE Art and Design)

Term 1 and 2 (y10)      Pop Art (the comic image)

From pop art and in particular the work of the American artists like Roy Lichtenstein and Andy Warhol the students will explore and develop an understanding of the `comic`, image used since the 1950`s.

This will be used as a foundation to basic skills with an emphasis of exploring the depth, space and perspective used within an image and particular emphasis on how best to utilise the sketchbook as a personal record of creative expression.

Term 1 and 2 (y11)      Mock Exam(using that years GCSE exam paper)

Term 3 and 4 (y10)      Photography and digital manipulation (monochrome to colour)

Students will use a previous years exam paper and select from one of the seven themes, explore, research and develop ideas and experiment with the differing ways of using black to white to present a creative image.

Term 3, 4 and 5 (y11)      Final terminal Art and Design GCSE art exam

Term 5 and 6 (y10)      Art Appreciation (gallery visit and exploration of the world outside)

To use the school grounds and the large variety of differing venues we have in Devon. Record what is seen in the first hand with a focus on the contrast between the man made and nature.
