

KS2 - We are currently working on a phonics passport to understand the key phonics in French. We are discovering different stories and animals to link to our phonics.

Year 7 - We are currently working on the French basics to be able to introduce ourselves to others including our names, birthdays, likes and dislikes. By the end of the unit, we will be able to recognise and sound out key words in French.

Year 8 - We are currently learning about extreme sports and will be able to describe and evaluate key sports. By the end of the unit, we will be able to describe a piece of footage in the present tense and might include some future tense to include a sport we would like to try.

Year 9 - We are currently working on a zombie project to find out a way to escape through a town centre and collect different survival items as part of our Town and Shopping unit. By the end of the unit, we will be able to use all three tenses to describe how we survived the zombie apocalypse and what our plans are for the future.

Year 10 - We are currently learning about Healthy Eating and evaluating different diets. By the end of the unit we will be able to explain our diet and its benefits and could suggest how we could make our diet healthier in the future. We are completing our first Entry Level Tasks in Writing, Reading, Listening and Speaking.

Year 11 - We are currently learning about school life and how to describe our daily routine to others. By the end of the unit, we will also be able to include our plans for the future. We are completing our first tasks in our Foundation GCSE course.
