

Ratcliffe Take First Place At Seated Volleyball Tournament

A team of Ratcliffe pupils were invited to take part in the first ever 'Seated Volleyball Competition' for Devon Schools. Seated Volleyball is an inclusive game that you may have first seen when watching the Invictus or Paralympic Games.

In total twelve teams took part in this competition and both primary and secondary age pupils were able to take part. Games were played in two group stages with young leaders from Teign School officiating and making sure everyone knew what they were doing. Ratcliffe pupils won all their group stage games and then went on to take on Combe Pafford in the final which proved to be a tough game but was won by Ratcliffe. All pupils seemed to really enjoy the event which was fun, friendly and competitive. Congratulations to all those who took part.
