

Double Success For Ratcliffe Football Teams

Ratcliffe School were invited to take part in a Level 3 Football competition at Exeter City Football Club. Two teams were entered one team took part in the Year 7-9 mixed group and the other team entered the older category Year 9-11 boys.

Both teams were very excited at the prospect of taking part and with the added privilege of playing on Exeter City's home ground the day was an experience not to be missed.

Each team played a total of four games in their group sections and were unbeaten in every round. This meant we had made it through to two finals. The older boys team played first meeting Ridgeway School in fiercely contested game that was close but Ratcliffe managed to secure a 2-0 victory. The mixed team, not to be outdone, went on to face Newton Abbot in their final which was evenly matched until the last few minutes of the game when Ratcliffe managed to put one past the keeper ensuring a 1-0 victory. Congratulations to all those who took part.
